

BLINK® LIMITED WARRANTY

1. GENERAL TERMS

1.1. This Limited Warranty applies to the original purchase by an original purchaser ("Customer") of the EV Charging Station (the "Equipment") from Blink Network, LLC ("Blink"). The warranties set forth herein are non-transferrable. This Limited Warranty applies only to Equipment manufactured by or for Blink that can be identified by the "Blink" trademark, trade name or logo affixed to it. This Limited Warranty does not apply to any non-Blink hardware or software, even if packaged or sold with the Equipment.

1.2. Subject to the provisions of this Limited Warranty, Blink warrants and represents that the Equipment will conform to our specifications in all material respects and that the Equipment will be free from material defects in materials and workmanship for a period of twelve (12) months from date of shipment to the Customer (the "Limited Warranty Period"). In order to obtain repair or maintenance services after the Limited Warranty Period, Customer may purchase an extended warranty prior to the expiration of the Limited Warranty Period or Customer may purchase replacement parts directly from Blink or one of its affiliates.

2. EQUIPMENT UNDER LIMITED WARRANTY

2.1. If the Equipment malfunctions or fails in its normal and proper use, and provided the Equipment has been properly stored, installed, operated and maintained, and is otherwise eligible for service under this Limited Warranty, Customer may seek service under the Limited Warranty as follows:

- a. The Customer shall notify Blink of such malfunction or failure, including the serial number of the Equipment, by contacting Blink's Maintenance Hotline at: 1-888-998-BLINK.
- b. Equipment, where eligible under this Limited Warranty, will be repaired or replaced, at Blink's option, at no charge to Customer for parts or labor. Blink reserves the right to utilize third-party contractors to perform any and all services under this Limited Warranty.
- c. If Blink determines that the failure or malfunction of Equipment is not covered by this Limited Warranty, and service is provided by Blink to Customer for such Equipment, Customer will pay Blink for any repair services performed, including parts and/or labor based on standard labor and part prices in effect at the time of such repair or replacement.
- d. Unauthorized return to Blink of any Equipment, whether or not eligible under this Limited Warranty, will be subject to a handling charge, in addition to all repair and all shipping charges.

2.2. Equipment which is repaired or replaced by Blink under this Limited Warranty will continue to be covered under all of the provisions of this Limited Warranty for the remainder of the applicable Limited Warranty Period. If a previously repaired or replaced failure or malfunction recurs within the Limited Warranty Period, Blink will, at its sole option and discretion: re-perform the repair or replacement pursuant to the terms of this Limited Warranty.

2.3. Parts and/or materials used in Blink's performance under this Limited Warranty may be, at Blink's sole option, remanufactured, reconditioned parts and/or materials, or a product substantially similar to the original Equipment and/or part thereof.

3. **FORCE MAJEURE** Blink will not be liable for performance under this Limited Warranty if such performance becomes commercially impracticable due to any contingency beyond Blink's reasonable control, including acts of God, fires, flood, wars, sabotage, civil unrest, accidents, labor disputes or shortages, government laws, rules and regulations, whether valid or invalid, inability to obtain materials, equipment or transportation, incorrect, delayed or incomplete specifications, (collectively "Force Majeure").
